

## **PETITION SIGNATURE VERIFICATION-- GENERAL INFORMATION FOR OBSERVERS**

**WHEN YOU ARRIVE AT ELECTIONS:** You must sign in at the front counter and receive an OBSERVER badge. Print your name on your badge, and wear your OBSERVER badge while you are observing signature verification procedures. Return your OBSERVER badge any time you are leaving the building for the day.

OBSERVE only and do not assist, talk or interfere with the signature verification process in any way. Staff has been instructed to NOT speak to observers while verifying signatures. If you do not cooperate in this issue you will be asked to leave.

Do not challenge a signature with an election worker during your observation.

If you have questions: Submit them in writing to staff, which will route them to Annette at the end of the day. She will answer your questions as soon as possible.

Do not handle the signature sheets, printouts, computers, logs, reporting forms or anything related to signature verification.

A supervisor may ask an observer to leave if they are disruptive or interfering with the signature verification process.

**Cell phones:** Please move to the lobby or outside of the building to make or receive calls on your cell phone.

**Public restrooms** are located at the Eugene Public Library or at the LTD service building.
