Trashbuster Award Category (Circle One)

Individual	Private Business	Product Manufacturer
School Program	Special Event	Non Profit Organization
Gov't Agency	Construction/demolition	Restaurant/food service

- 1) Describe the ways in which the applicant contributes to waste reduction by:
 - reducing waste
 - reusing materials
 - recycling
- 2) List items purchased by applicant that are made with recycled content.
- 3) How does the applicant educate employees, customers, friends or neighbors about waste reduction, reuse, and recycling, and how many are educated in this way?
- 4) List the most frequent materials found in applicant's trash.
- 5) Does the applicant generate any hazardous waste? If so describe the waste generated and how this waste is disposed and what is being done to reduce it?
- 6) Can we use your name, and the applicant's, in our efforts to promote solid waste reduction?

Applicants will be judged by the following criteria:

- Complete application*
- Environmental benefits achieved*
- Innovation in waste reduction*
- Reduction of waste achieved (waste audits)*
- Long term commitment to waste reduction*
- Leadership in your community*
