Oregon Revised Statute (ORS) and Oregon Administrative Rule (OAR)

ORS 307.166 Exemption of property leased by exempt institution, organization or public body to another exempt institution, organization or public body.

(1) If property is owned or being purchased by an institution, organization or public body, that is granted exemption or the right to claim exemption for any of its property under a provision of law contained in this chapter, and the institution, organization or public body leases or otherwise grants the use and possession of the property to another institution, organization or public body that is likewise granted exemption or the right to claim exemption for any of its property under a provision of law contained in this chapter, the property is exempt from taxation if used by the lessee or possessor in the manner, if any, required by law for the exemption of property owned or being purchased by the lessee or possessor and the rent payable under the lease or other grant of use and possession of the property has been established to reflect the savings below market rent resulting from the exemption from taxation. Likewise, if the property is sublet or otherwise the use and possession of the property is granted to another institution, organization or public body of the kind described in this subsection, the property is exempt if used by the sublessee or possessor in the manner, if any, required by law for the exemption of property owned or being purchased by the sublessee or possessor and the rent payable under the sublease or other grant of use and possession of the property has been established to reflect the savings below market rent resulting from the exemption from taxation.

(2) To obtain the exemption under this section, the lessee or entity in possession must file a claim for exemption with the county assessor, verified by the oath or affirmation of the president or other proper officer of the institution or organization, or head official of the public body or the legally authorized delegate of the head official, showing:

(a) A complete description of the property for which exemption is claimed.

(b) All facts relating to the ownership or purchase of the property.

(c) All facts relating to the use of the property by the lessee or entity in possession.

(d) A true copy of the lease, sublease or other grant of use and possession covering the property for which exemption is claimed.

(e) Any other information required by the claim form.

(3)(a) The claim must be filed on or before April 1 preceding the tax year for which exemption is claimed, except:

(A) If the lease, sublease or other grant of use and possession is entered into after March 1 but not later than June 30, the claim must be filed within 30 days after the date the lease, sublease or other grant of use and possession is entered into if the exemption is claimed for the assessment year beginning on the preceding January 1; or

(B) If a late filing fee is paid in the manner provided in ORS 307.162(2), the claim must be filed within the time specified in ORS 307.162(2).

(b) The exemption first applies for the tax year beginning July 1 of the year for which the claim is filed. The exemption continues as long as the ownership and use of the property remain unchanged and during the period of the lease, sublease or other grant or use and possession. If either the ownership or use changes, a new claim must be filed as provided in this section. If the lease, sublease or other grant or use and possession expires before July 1 of any year, the exemption terminates as of January 1 of the same calendar year.

OAR 150-307.166 Public bodies or exempt institutions or organizations leased to other public bodies or exempt institutions or organizations.

(1) Public body property which is leased or used by another public body is exempt from property taxes when the property is used by the lessee, for a qualifying exempt purpose on July 1, of the assessment year to be exempted. Filing an application for a tax exemption is required.

(2) When public body property is subsequently leased to another entity whose property is exempt from taxation, filing a timely application for a property tax exemption is required.

(3) When property of entities whose property is exempt from taxation is leased to a public body an application for a property tax exemption is also required.

(4) Late filing is permitted. Payment of the late filing fee must be submitted with the application. The late filing fee cannot be excused or waived.

(5) The assessor must be satisfied that the amount of rent charged is below market rent. For purposes of this statute, the definition, application, and examples explaining market rent are found in OAR 150-307.112.

(6) For purposes of ORS 307.166, a lease or other agreement means any written document that communicates the terms and conditions of tenancy. A verbal agreement will not qualify in an exemption claim.

Late filing information:

ORS 307.162 provides for late filing as follows:

1. If you are filing before December 31 for the current tax year, the late filing fee is \$200.00 or one-tenth of one percent of the real market value of the property, whichever is greater.
2. If you are filing before April 1 of the current tax year, for the current tax year only, and you are a first-time filer, have good and sufficient cause for filing late, or are a government entity described in ORS 307.090, the late filing fee is \$200.00.
3.
