**MONTHLY INCOME INCLUDES:**

1. Gross monthly wages (if employed with the school district; divide annual wages by 12 months = gross monthly wages).
2. Net income from farm and non-farm self-employment
3. Social Security.
4. Dividends or interest on savings or bonds, estates, trusts or net rental income
5. Public assistance or welfare payments.
6. Unemployment compensation.
7. Government, civilian employee or military retirement payments or veteran's payments.
8. Private pensions or annuities.
9. Alimony or child support payments.
10. Regular contributions from persons not living in the household.
11. Net royalties.
12. Student loan amounts in excess of attendance costs. Attendance costs are regular tuition and fees for students carrying at least a half-time workload as determined by the institution and an allowance for books, supplies and transportation required by the course of study.
13. Military allowance for off-base housing or living expenses.
14. Other cash income or allowances from any resources that are readily available to the household.
