DATE/TIME OF RELEASE: December 4, 2008 @ 12:30 PM

NATURE OF STORY: Traffic Alert for Light Parade, Veneta

LOCATION: Veneta/Elmira Area ---
Hwy 126W & Territorial Hwy

DETAILS: The 2008 Fern Ridge Light Parade will be held tonight. The parade starts rolling at 7:00 PM and does have an impact on traffic patterns in the area. In accordance with the permit granted by ODOT, the Lane County Sheriff's Deputies assigned to the Veneta Contract will be directing traffic at the intersection of Hwy 126W and Territorial once the parade reaches that intersection. (See attached map for parade route).

For eastbound traffic wishing to travel through without stopping to enjoy the parade, Suttle Rd to Territorial to Jeans to Ellmaker Rd to Hwy 126 is a recommended detour. For westbound traffic follow the same route in reverse. Traffic isolated south of Veneta attempting to travel out should use Perkins Rd to Central Rd to Hwy 126.
