DATE/TIME OF RELEASE: 07-27-09, 11:30 am

NATURE OF STORY: Death Investigation

INVOLVED: Lisa R. Grange, 50
Curt L. Roberts, 45

DETAILS: Shortly after 5 PM on Sunday, July 26, 2009 Lane County Sheriff's deputies were dispatched to a residence in the Santa Clara area north of Eugene, regarding a death investigation. Family members had discovered the bodies of Lisa Grange and Curt Roberts in their residence on Lancaster Drive. Initial reports included information that a maintenance crew had been servicing gas lines in the area of the residence late last week. For that reason, fire crews and representatives of Northwest Natural Gas were summoned to the scene to assist in the investigation. Those crews were unable to detect any gas in the area at the time of the investigation.

Sheriff's Office and Medical Examiner's investigators found no obvious indications of trauma to Roberts and Grange. There is currently no information to suggest that criminal activity was in any way connected with these deaths, however, the investigation is continuing.
