

**Lane County - Service Option Sheet - FY 22-23 Proposed**

SOS 29: **Disaster Recovery Support**  
 Dept: Economic Development  
 Contact: Austin Ramirez, ext. 4009

Service Category: Public Safety

<b>Mandate</b>	None	Related	SHALL
<b>Leverage</b>	None	Some	<b>HIGH</b>

**Executive Summary**

The Disaster Recovery Management Analyst will provide targeted support to long-term recovery efforts in the McKenzie River Valley with a focus on serving Holiday Farm Fire victims. The position will work with internal and external partners to identify priorities for direct support from the County, and connect communities with other service/resource providers when support is best provided by a third party. Within the County government, the Disaster Recovery Management Analyst will coordinate and/or support fire recovery programs and services. The position will also cultivate partnerships and collaborative efforts across Lane County and the broader region.

**Service Descriptions**

	Revenue	Expense Total	General Fund	FTE
<b>Proposed Budget Total</b>	\$0	\$146,639	\$146,639	1.00

Coordinate and/or support equitable support systems for wildfire victims using a trauma-informed approach. Inform Long-Term Fire Recovery and county staff of community needs to guide programs and resources. Collaborate with partners in the government, private, and non-profit sectors to identify resources and connect wildfire victims appropriately. Support the transition of wildfire victims from temporary shelter into more sustainable housing solutions. This includes 1.0 FTE, and funding for materials and supplies related to supporting this work.

**State/Federal Mandate**

None

**Leverage Details**

The General Fund portion of this program leverages the following:

_____ \$0	back to the Discretionary General Fund
_____ \$0	into other non Discretionary County Funds
_____ \$0	directly to community members (child support payments)
