Subject: RE: Petition related to Public Records Request

Dear Mr. Alderman,

After getting a grasp on the what is required to conduct the search for records you have requested, your fee waiver is denied. I did learn that the Sheriff's office has CAD records for four calls regarding the property that would cost you about \$60 to obtain. I don't know for certain that would help you narrow your search, but I thought I would check on that and let you know.

If you wish to appeal this decision, you may file an appeal in Lane County Circuit Court.

Best regards,

Patty
