

BEFORE THE BOARD OF COMMISSIONERS OF LANE COUNTY, OREGON

ORDER NO: 22-08-02-04

In the Matter of Approving Funding for
Design, Construction, and Related Services
for Failing Fish Passage Culverts, Siuslaw
Rd. (5358-00) at Milepost 36.80 and Vaughn
Rd. (4335-00) at Milepost 8.75

WHEREAS, two culverts have been identified as being in a failing condition; and

WHEREAS, the replacement of such culverts will be subject to Fish Passage statutes under ORS chapter 509; and

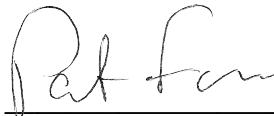

WHEREAS, County staff resources are not available at this time for management of design and permitting needs for these projects; and

WHEREAS, there exists a current funding opportunity with Oregon Department of Fish and Wildlife under the Oregon Department of Fish & Wildlife (ODFW) Drought Funding program.

NOW, THEREFORE, the Board of County Commissioners of Lane County **ORDERS** as follows:

1. Funding is approved for design, construction, and related services for fish passage culverts, Siuslaw Rd. (5358-00) at Milepost 36.80 and Vaughn Rd (4335-00) at Milepost 8.75;
2. County staff will apply for funding through Oregon Department of Fish & Wildlife; and
3. The County Administrator is authorized to execute contracts for design, construction, and related services; to apply for grants; and to execute permit documents as necessary. Under the authority of this order, no individual contract may exceed \$250,000.

ADOPTED this 2nd day of August, 2022.

Pat Farr, Chair
Lane County Board of Commissioners
