SECTION 4 - COVENANTS OF RECIPIENT

- A. Recipient covenants its Project will meet the following national objective:
Activities primarily benefiting low- and moderate-income persons (24 C.F.R. 570.483(b)).
- B. No employee, agent, consultant, officer, or elected or appointed official of Recipient, or any subrecipient receiving CDBG funds who exercises or has exercised any functions or responsibilities with respect to Project activities, or any person who is in a position to participate in a decision-making process or gain inside information with regard to the Project, or those with whom they have family or business ties, during his or her tenure or for one year thereafter, may have a financial

interest or benefit in, or obtain a financial interest or benefit from any Project activity, or have any interest, direct or indirect, in any contract, subcontract, or agreement with respect to the Project.

Recipient shall also establish safeguards to prohibit employees from using their position for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties.

- C. Recipient shall incorporate, or cause to be incorporated, in all purchase orders, contracts or subcontracts regarding the procurement of property or services paid for in whole or in part with CDBG funds any clauses required by federal statutes, executive orders and implementing regulations to be so incorporated.

- F. Recipient shall maintain all fiscal records relating to this Contract in accordance with generally accepted accounting principles for state and municipal corporations established by the National Committee on Governmental Accounting in a publication entitled "Governmental Accounting, Auditing and Financial Reporting (GAAFR)." In addition, Recipient shall maintain any other records pertinent to this Contract in such a manner as to clearly document Recipient's performance. For fair housing and equal opportunity purposes, and as applicable, Recipient's records shall include data on the racial, ethnic and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the program.
- G. Federal audit requirements. The Grant is federal financial assistance, and the Catalog of Federal Domestic Assistance ("CFDA") number and title is "14.228 Community Development Block Grant."

 - (2) Audit costs for audits not required in accordance with 2 C.F.R. part 200, subpart F are unallowable. If Recipient did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the funds received under this Contract.
 - (3) Recipient shall save, protect and hold harmless OBDD from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Contract. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and the State of Oregon.
- H. Recipient shall grant OBDD and the Oregon Secretary of State's Office and the federal government (including but not limited to U.S. Department of Housing and Urban Development ("HUD"), the Inspector General, and the General Accounting Office) and their duly authorized representatives,

access to all books, accounts, records, reports, files, and other papers, or property pertaining to the administration, receipt and use of CDBG funds to perform examinations and audits and make excerpts, transcripts and copies. Recipient shall retain and keep accessible all such books, accounts, records, reports, files, and other papers, or property for a minimum of six (6) years from closeout of the grant hereunder, or such longer period as may be required by applicable law, or until the conclusion of any audit, controversy or litigation arising out of or related to this Contract, whichever date is later.

- I. Recipient shall require and cause its subrecipients to comply with the requirements of Sections 4.F, 4.G. and 4.H. above.
- J. Recipient shall follow applicable public records law to provide citizens with reasonable access to records regarding the use of the CDBG funds. Consistent with public records law, Recipient shall, and shall cause or require its subrecipients to, protect the confidentiality of all information concerning applicants for and recipients of services funded by this Contract. It shall not release or disclose any such information except as necessary for the administration of the program(s), as authorized in writing by the applicant or recipient or as required by law. All records and files shall be appropriately secured to prevent access by unauthorized persons. Recipient shall, and shall cause or require its subrecipients to, ensure that all its officers, employees and agents are aware of and comply with this confidentiality requirement.
- K. Recipient has adopted and will enforce (1) a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations and (2) a policy of enforcing applicable state and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstration within its jurisdiction in accordance with Section 104(1) of the Act.
- L. Recipient shall cause all its first tier contractors or subrecipients receiving subcontracts exceeding \$100,000 to execute and file with Recipient the certification set forth in Exhibit C hereof.
- M. Recipient shall ensure no lead-based paint is used in residential units.
- N. Monitoring obligations:
 - 1) Recipient shall fully cooperate with OBDD's monitoring activities, including but not limited to the following: Review of single audits, arrange for limited scope audits, on-site visits, reviewing Recipient reports, requiring prior approval, requiring third party evaluations, providing training and technical assistance, making telephone calls and using such other means of communication such as e-mail in order to ask or answer questions.

- O. Recipient must obtain and maintain supporting documentation for all expenditures and requests for grant funds, including those of subrecipients under their respective contracts with Recipient, with properly executed payroll and time records, invoices, contracts, vouchers, orders, canceled checks and any other accounting documents in accordance with generally accepted accounting principles, Oregon Administrative Rules and applicable federal requirements specified herein. OBDD may require such other information as it deems necessary or appropriate in its sole discretion.
- P. Contributory Liability and Contractor Indemnification.
 - (1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified

Party”) with respect to which the other party may have liability, the Notified Party must promptly notify the other party in writing and deliver a copy of the claim, process, and all legal pleadings related to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. The foregoing provisions are conditions precedent for either party’s liability to the other in regards to the Third Party Claim.

If the parties are jointly liable (or would be if joined in the Third Party Claim), the parties shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable in such proportion as is appropriate to reflect their respective relative fault. The relative fault of the parties shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Each party’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if that party had sole liability in the proceeding. This Section shall survive termination of this Contract.

- (2) Recipient shall take all reasonable steps to require its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents (“Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys’ fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient’s contractor or any of the officers, agents, employees or subcontractors of the contractor (“Claims”). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims. This Section shall survive termination of this Contract.

SECTION 5 - DEFAULT; REMEDIES; TERMINATION

- A. Defaults. Any of the following constitutes an “Event of Default”:
 - 1) If Recipient’s, or any of its subrecipient’s use of grant funds, violates the terms and conditions of this Contract or applicable law, specifically including but not limited to OAR Chapter 123, Division 80, and that violation continues for a period of thirty (30) calendar days after written notice specifying such violation is given to Recipient by OBDD. In such case and in addition to any other remedy available to OBDD, OBDD may, in its sole and absolute discretion, require that Recipient obtain prior OBDD approval for any expenditures that would otherwise be eligible for reimbursement under this Contract.
 - 2) If Recipient is unable to commence the Project within four (4) months following the Effective Date of this Contract.
- B. Remedies. Upon any Event of Default, OBDD may pursue any or all remedies in this Contract and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. Remedies may include, but are not limited to:
 - 1) Terminating OBDD’s commitment and obligation to make the Grant or disbursements under the Contract.

- 2) Withholding amounts otherwise due to Recipient for application to any amounts due under this Contract; however, this provision is not to be construed in a way that Recipient's obligations would constitute debt that violates Section 10, Article XI of the Oregon Constitution.
- 3) Barring Recipient from applying for future awards.
- 4) Requiring repayment of the Grant and any interest earned by Recipient on the Grant.

C. Termination. OBDD may terminate this Contract immediately upon written notice to Recipient:

- 1) If OBDD fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient, in OBDD's exercise of its reasonable discretion, to fund the Project.
- 2) If federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the CDBG grant or payments to be made hereunder are prohibited or OBDD is prohibited from paying for the CDBG grant program from the planned funding source(s).
- 3) As otherwise provided in this Contract.

In the event of termination under this Section or for any Event of Default, Recipient shall deliver to OBDD all unexpended money, property, finished or unfinished documents, data, financial reports, audit reports, program reports, studies and reports purchased or prepared by Recipient, within sixty (60) calendar days of the date of termination. Termination of this Contract shall not impair or invalidate any remedy available to OBDD or Recipient hereunder, at law, or otherwise.

SECTION 6 - MISCELLANEOUS PROVISIONS

- A. No Remedy Exclusive; Waiver; Notice. No remedy available to OBDD is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right, power or privilege under this Contract shall preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. The OBDD is not required to provide any notice in order to exercise any right or remedy, other than notice required in Section 5 of this Contract.
- B. Notices and Communication. Except as otherwise expressly provided in this Contract, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or OBDD at the addresses set forth on the signature page of this Contract, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.
- Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.
- C. Third Party Beneficiaries. OBDD and Recipient are the only parties to this Contract and are the only parties entitled to enforce its terms. Nothing in this Contract gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Contract.

- D. No Limitations on Actions in Exercise of Governmental Powers. Nothing in this Contract is intended, nor shall it be construed, to in any way limit the actions of OBDD in the exercise of its governmental powers. It is the express intention of the parties hereto that OBDD shall retain the full right and ability to exercise its governmental powers with respect to Recipient, the grant funds, and the transactions contemplated by this Contract to the same extent as if it were not a party to this Contract, and in no event shall OBDD have any contractual liability arising under this Contract by virtue of any exercise of its governmental powers.
- E. Time of the Essence. Time is of the essence in the performance of any and all obligations under this Contract.
- F. No Construction against Drafter. This Contract is to be construed as if the parties drafted it jointly.
- G. Severability. If any term or condition of this Contract is declared by a court of competent jurisdiction as illegal, invalid or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- H. Amendments, Waivers. This Contract may not be amended without the prior written consent of OBDD (and when required, the Department of Justice) and Recipient. This Contract may not be amended in a manner that is not in compliance with the Act. No waiver or consent is effective unless in writing and signed by the party against whom such waiver or consent is sought to be enforced. Such waiver or consent will be effective only in the specific instance and for the specific purpose given.
- I. Attorney Fees and Other Expenses. To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Contract is entitled to recover its reasonable attorney fees and costs at trial and on appeal. Reasonable attorney fees cannot exceed the rate charged to OBDD by its attorneys.
- J. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Contract, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- K. Integration. This Contract and all exhibits, schedules or attachments constitute the entire agreement between the parties on the subject matter hereof. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.
- L. Execution in Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

Recipient, by its signature below, acknowledges that it has read this Contract, understands it, and agrees to be bound by its terms and conditions.
