HACSA MEMORANDUM

TO: HACSA Board of Commissioners

FROM: Dorothy Cummings, Administrative Services Director

AGENDA ITEM TITLE: ORDER/Resolution/In the Matter of Approving the

Submission of the Annual Agency Plan for the Fiscal Year

Beginning October 1, 2007

AGENDA DATE: July 11, 2007

I. MOTION

It is moved that the Order/Resolution be adopted approving the submission of the Annual Agency Plan for the fiscal year beginning October 1, 2007.

II. ISSUE

The Annual Agency Plan requires Board approval and certification that the Agency has complied with the applicable requirements listed on the certification form.

III. DISCUSSION

A. Background/Analysis

The Agency is required by Section 511 of the Quality Housing and Work Responsibility Act of 1998 (and ensuing HUD requirements) to submit a 5-Year and Annual Plan to HUD.

In July of 2005, the Agency submitted its new 5-Year Plan covering the period October 1, 2005 through September 30, 2009. The Agency is not required to update its 5-Year Plan again until July of 2009 (for the period beginning October 1, 2009). However, the Agency is required to update its Annual Plan every year. Because of the Agency's high performer status, we are able to submit the streamlined version of the Annual Plan. This year's Annual Plan covers the fiscal year beginning October 1, 2007.

The template for the streamlined version of the Annual is more condensed than the standard version; however, the Agency is still required to update and make available all supporting documents. Those documents have been updated and have been available, to the RAB, to the Resident Commissioners, and are available in the lobby of both HACSA administration offices.

As in previous years, the focus of the Plan is to identify the programs and services provided under the Public Housing and Section 8 Tenant Based Assistance Programs and to allow public access and comment on those programs and services. The Work Responsibility Act requires that housing authorities work with their Public Housing Resident Advisory Boards (RAB) on the development of the Plan. In order to meet this requirement, the Agency began meeting with the RAB at the beginning of the year to present various components of the Plan.

HUD requires that housing authorities provide public notice of a 45-day comment period and a public hearing on the proposed plan. The Agency has met this requirement through public advertisement, resident meetings, and a public hearing.

The Agency is required to submit the Plan electronically to HUD no later than July 18, 2007. Along with the electronic submission, the Agency is required to submit to HUD the Board certification, and other required certifications (Certification of Payments to Influence Federal Transactions).

C. Alternatives/Options

In order to receive subsequent HUD funding, Annual Agency Plan and the related certification must be submitted to HUD.

D. Recommendation

Approval of the proposed motion is recommended.

IV. IMPLEMENTATION/FOLLOW-UP

Upon approval by the Board, the Executive Director will submit the ORDER/Resolution and Annual Plan to HUD.

V. ATTACHMENT

- 6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
- 7. For PHA Plan that includes a policy for site based waiting lists:
- · The PHA regularly submits required data to HUD's MTCS in an accurate, complete and timely manner (as specified in PIH Notice
- · The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
- · Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
- The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
- · The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
- 8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of
- 9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and
- Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped. 10. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of
- 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
- 11. The PHA has submitted with the Plan a certification with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.
- 12. The PHA has submitted with the Plan a certification with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.

- 13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
- 14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR

EXECUTIVE SUMMARY

May 10, 2007

The Agency is required by Section 511 of the Quality Housing and Work Responsibility Act of 1998 (and ensuing HUD requirements) to submit a 5-Year and Annual Plan to HUD. Last year the Agency submitted its new 5-Year Plan covering the period October of 2005 through September of 2009. This year, because of the Agency's high performer status, the Agency is only required to submit a streamlined Annual Plan for the fiscal year beginning October 1, 2007.

As in previous years, the focus of the Plan is to identify the programs and services provided under the Public Housing and Section 8 Tenant Based Assistance Programs and to allow public access and comment on those programs and services. The Work Responsibility Act requires that housing authorities work with their Public Housing Resident Advisory Boards (RAB) on the planning and development of the Plan. In order to meet this requirement, the Agency began meeting with the RAB at the beginning of the year.

This booklet contains the following components, which are all part of the streamlined submission.

| Section 1 Section 2 Section 3 Section 4 Section 5 Section 6 Section 7 | Streamlined Template Capital Fund New Annual Statement (Grant Year 2007) Capital Fund Five-Year Action Plan (Grant Years 07-11) Capital Fund Annual Statement FY 2005 Grant Capital Fund Annual Statement FY 2006 Grant Resident Board Members RAB Representatives |

| Section 7 | RAB Representatives |

While the Agency is using HUD's Streamlined Annual PHA Plan template, we are still required to update the Supporting Documentation as needed. Supporting Documentation is available for inspection at both the Day Island and Fairview administration offices, through the RAB, and by contacting the resident commissioners who each have a notebook containing all supporting documents.

This year's changes to the Plan include the following:

Section 8 Administrative Policy -

o Added new federal requirements regarding Admission, Tenancy, and Termination of Assistance for victims of Domestic Violence in accordance with the Violence Against Women Act (VAWA).

o Families living in Agency owned housing who come to the top of the waiting list will be notified in writing that they have 90 days from the date of the pre top of the waiting list letter to utilize their Section 8 application or it will be cancelled. Previous policy allowed 6 months.

- Added the newest federal guidance relating to Students of Institutions of Higher Education eligibility requirements.
- o Added 10 more voucher slots for victims of domestic violence.
- Relaxed the number of persons per bedroom policy. The new policy allows for one bedroom for head of household and/or spouse or spousal equivalent, and for all other household members, the allocation will be based on two persons per bedroom, without regards to gender or age.
- Clarifying language added (Chapter 6): new job income not counted unless the person has been on the job 30 days and/or received 2 paychecks.
- Clarifying language added (Chapter 7): gifts must be recurring for at least
 2 months prior to initial intake to be counted.
- Clarifying language added (Chapter 10): the water heater must also have a discharge pipe for relief valve which is the same diameter or larger than the water intake pipe......
- Clarifying language added (Chapter 17): clarified that denial of assistance will not include debts where there has been more than 10 years of inactivity (unless the debt is owed to a HACSA owned property).
- Expanded definition of portability to Chapter 20 on Homeownership. The new section is applicable to families who want to 'port' (move) to our area and are currently participating in a Section 8 homeownership program in their community.

Statement of Policy (Public and Assisted Housing) -

- Changed 'bedroom size' to 'number of sleeping areas' in Occupancy Standards.
- Removed separate definitions for 'service/assistance animals' and 'companion animals' in Pet Policy & Rules, and Reasonable Accommodation Policy. Changed to one definition: 'assistance animals.' Updated to make it clear that HACSA's standard procedure for making a Request for Reasonable Accommodation is followed for all animal requests.
- Added language to Reasonable Accommodation Transfers to clarify that HACSA is responsible for all reasonable costs associated with transferring a resident with a disability to a mobility impaired/wheelchair accessible unit. Also clarified that the transferring resident is responsible for expenses associated with damages and/or cleaning costs assessed on the old unit and differences in utility costs or increased security deposit associated with new unit.
- Updated language in Transfer of Residents. Previous language stated that a non disabled resident being asked to move from a unit with special features for a person with disabilities was responsible for all costs associated with the move. Changed the language to reflect the practice

- that has been in place since 1993; HACSA is responsible for all costs associated with the move.
- o Updated deposit information at Firwood (an Agency owned non Public Housing property). Changed from \$200 deposit + \$75 non refundable fee to \$250 refundable deposit + \$100 non refundable cleaning fee for one bedroom units and \$300 refundable deposit + \$100 non refundable cleaning fee for two bedroom units.
- Updated Firwood income limits to require that residents moving from one unit to another (typically, from one to two bedroom) must re-qualify their income at or below the low income limit.
- o Updated income limits at Abbie Lane (a Section 8 New Construction property) to allow up to low income (80% of median) families. Previously limits set at very low income.
- o Updated income limits at Fourteen Pines and Village Oaks (project based Section 8/236 properties) to allow certification of existing 236 residents to project based Section 8 who meet low income limit guidelines, and are also 'rent burdened.'
- o Clerical updates (page numbers, etc), minor terminology updates, and clarification of federal requirements or references (no policy changes).
- o Removed the language that said HACSA 'may elect to forego' an interim rent increase. Income increase of \$200 or more must be reported and we will process an interim rent increase.
- Expanded Pet Policy to allow two Category II animals (not a dog or cat) for households who have one Category I animal (dog or cat).
- o Added Appendix J: Violence Against Women Act (VAWA). Federal requirement.
- o Added Appendix K: Section 8 Student Rule. Federal requirement.
- o Added Appendix L: Welfare Benefit Reductions. Federal requirement. Previously mentioned in the SOP, but not sufficiently explained. Added appendix to include a more complete explanation.

Capital Fund -

- o Added new year (2011) to the 5-Year Plan. Because of increased costs in construction, the 5-Year Plan has been adjusted to reflect those increases which have caused many projects to be moved to a later year than originally planned or extended over multiple years.
- o Added Year End (March 31, 2007) Performance & Evaluation Reports for fiscal years 2005 and 2006.

Other Changes & Updates -

- o Updated Resident Advisory Board members.
- Updated Certification of Consistency with Consolidated Plan.
- Updated Deconcentration statistics.
- o Updated Public Housing Utility Allowances.
- Updated Maintenance Plan.
- o Added Financial Statements for fiscal year ended September 30, 2006.

- o Updated ROSS Grant reports.
- o Updated Added PHAS/SEMAP information.
- o Added Section 3 Report (new requirement).

Our Section 8 funding appears to be stable for this year and next year, and we are currently serving families who applied for the program in August of 2004. We anticipate reopening the Section 8 waiting list some time in 2008. Prior to opening the list, the Agency will give public notice using a multi media approach.

In Public Housing we have spent this past year gearing up and getting ready to convert public housing to a project based/asset management model of doing business as required by HUD. This change requires that the Agency look at our public housing properties as individual asset properties rather than looking at all of the properties as a whole. It requires that each property have its own budget and financial statements. It is also requires that we look at the services provided to each property and determine that the way those services are delivered are in the best interest of the property.

As part of this change, our public housing projects were regrouped into Asset Management Properties (AMPs). We have gone from 15 public housing project to 6 AMPs and a Cost Center (administration). HUD has not yet finalized all of the requirements for the asset management model, but we anticipate that in the near future all of our reporting will be by AMP instead of Public Housing as a whole. Our Capital Fund reports, PHAS scoring, REAC scoring, and financial reporting will all be broken down by AMPs. This year's Agency Plan still shows Public Housing as a whole, but in the coming years we anticipate that all of the information contained in the Plan will be broken down by AMP.

Our successful conversion to asset management will have a direct financial impact on our public housing subsidy. Under the new rules, our Agency, along with most PHA's in Oregon, are considered 'decliners' meaning that under the new formula we will receive a deduction in subsidy. Our Agency stands to lose approximately \$400,000 in subsidy over the next five years. However, if we can meet the conversion requirements this first year, we can stop our loss at 5% which is \$20,000. If not, the loss will continue to increase each year up to the full reduction of \$400,000 at the fifth year.

Housing authorities of our size are finding HUD's requirements to be a major challenge to successfully converting to an asset management model. HUD has outlined a very prescribed way of making this conversion. Industry advocates, such as, National Association of Housing and Redevelopment Officials (NAHRO) and Public Housing Authorities Directors Association (PHADA) have been working with HUD and Congress seeking compromise and clarification on many of these new requirements. There has been so much confusion and lack of clear direction that the original submission date of our 'stop-loss' package which was

October 1, 2006 was moved to April 15, 2007, and on April 12th that date was again changed to October 15, 2007.

The publication of this booklet begins the 45 day comment period required by the regulations. At the end of this comment period, the Agency will hold a public hearing to accept final questions and comments on the Plan. Following the public hearing, the Agency will submit the Plan to the HACSA Board of Commissioners for approval followed by electronic submission to HUD no later than July 18, 2007.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.
