**Hearing Date:** May 15, 2007

**TO:** Board of County Commissioners

**DEPARTMENT:** Public Works Dept./Land Management Division

**PRESENTED BY:** BILL VANVACTOR, COUNTY ADMINISTRATOR  
KENT HOWE, PLANNING DIRECTOR

**AGENDA ITEM TITLE:** In the Matter of Considering a Ballot Measure 37 Claim and Deciding Whether to Modify, Remove or Not Apply Restrictive Land Use Regulations in Lieu of Providing Just Compensation (PA06-7303, Corey)

---

### **BACKGROUND**

**Applicant:** Robert S. Corey

**Current Owners:** Robert S. Corey and Nancy L. Corey

**Agent:** none

**Map and Tax lot:** 17-02-26 tax lot #300

**Acreage:** approximately 5 acres

**Current Zoning:** RR5 (Rural Residential)

**Date Property Acquired:** July 26, 1972 (WD # 10850) for Robert S. Corey  
June 10, 1992 (BSD #9232438) for Nancy L. Corey

**Date claim submitted:** December 1, 2006

**180-day deadline:** May 30, 2007

**Land Use Regulations in Effect at Date of Acquisition:** unzoned

**Restrictive County land use regulation:** Minimum parcel size of five acres and in the RR5 (Rural Residential) zone (LC 16.290).

### **ANALYSIS**

To have a valid claim against Lane County under Measure 37 and LC 2.700 through 2.770, the applicant must prove:

**1. Lane County has enacted or enforced a restrictive land use regulation since the owner acquired the property, and**

The current owners are Robert S. Corey and Nancy L. Corey. Robert S. Corey acquired an interest in the property on July 26, 1972 (MC #10850) when it was unzoned. Nancy Corey acquired an interest in the property on June 10, 1992, when it was zoned RR5 (WD # 9232438). Currently, the property is zoned RR5.

**2. The restrictive land use regulation has the effect of reducing the fair market value of the property, and**

The property was unzoned when it was acquired by Robert S. Corey. The minimum lot size in the RR5 zone prevents Robert S. Corey from developing the property as could have been allowed when he acquired it. The alleged reduction in fair market value is \$500,000, based on the submitted Comparative Market Analysis (CMA). The County Commissioners have accepted CMA's as competent evidence of valuation on previous claims. Because of this, the County Administrator has waived the requirement for an appraisal.

Because the minimum lot size and dwelling restrictions were applicable when Nancy L. Corey acquired the property in 1992, these regulations can only be waived for her to her date of acquisition.

**3. The restrictive land use regulation is not an exempt regulation as defined in LC 2.710.**

The minimum lot size does not appear to be an exempt regulation, but it can only be waived for Robert to 1972 and Nancy to 1992. The claimants have not identified any other restrictive land use regulations that allegedly reduce the fair market value of the property.

**CONCLUSION**

It appears this is a valid claim for Robert S. Corey. However, the minimum lot size can not be waived for Nancy Corey.

**RECOMMENDATION**

The County Administrator recommends the Board adopt the attached order to waive the minimum lot size of the RR5 zone for Robert Corey to July 26, 1972 and Nancy Corey to June 10, 1992.

**BEFORE THE BOARD OF COUNTY COMMISSIONERS OF LANE COUNTY,  
OREGON**

**ORDER No.**

) IN THE MATTER OF CONSIDERING A BALLOT  
) MEASURE 37 CLAIM AND DECIDING  
) WHETHER TO MODIFY, REMOVE OR NOT  
) APPLY RESTRICTIVE LAND USE  
) REGULATIONS IN LIEU OF PROVIDING JUST  
) COMPENSATION (Corey/PA06-7303)

**WHEREAS**, the voters of the State of Oregon passed Ballot Measure 37 on November 2, 2004, which added provisions to Oregon Revised Statutes (ORS) Chapter 197 to require, under certain circumstances, payment to landowner if a government land use regulation restricts the use of private real property and has the effect of reducing the property value; and

**WHEREAS**, the Board of County Commissioners of Lane County enacted Ordinance No. 18-04 on December 1, 2004, to establish a real property compensation claim application process in LC 2.700 through 2.770 for Ballot Measure 37 claims; and

**WHEREAS**, the County Administrator has reviewed an application for a Measure 37 claim submitted by Robert S. Corey and Nancy L. Corey (PA06-7303), the owners of real property located at 37264 Camp Creek Road, Springfield, and more specifically described in the records of the Lane County Assessor as map 17-02-26, tax lot 300, consisting of approximately 5 acres in Lane County, Oregon; and

**WHEREAS**, the County Administrator has determined that the application appears to meet all of the criteria of LC 2.740(1)(a)-(d), appears to be eligible for just compensation and appears to require modification, removal or not applying the restrictive land use regulations in lieu of payment of just compensation and has referred the application to the Board for public hearing and confirmation that the application qualifies for further action under Measure 37 and LC 2.700 through 2.770; and

**WHEREAS**, the County Administrator has determined under LC 2.740(4) that modification, removal or not applying the restrictive land use regulation is necessary to avoid owner entitlement to just compensation under Ballot Measure 37 and made that recommendation to the Board; and

**WHEREAS**, the Board has reviewed the evidence and confirmed the application appears to qualify for compensation under Measure 37 but Lane County has not appropriated funds for compensation for Measure 37 claims and has no funds available for this purpose; and

**WHEREAS**, on May 15, 2007, the Board conducted a public hearing on the Measure 37 claim (PA06-7303) of Robert and Nancy Corey and has now determined that the restrictive RR5 (Rural Residential) zone land division requirements of LC 16.290 were enforced and made applicable to prevent them from developing the property as might have been allowed at the time the Corey family acquired an interest in the property on July 26, 1972, and that the public benefit from application of the current RR5 land division regulations to the applicant's property is outweighed by the public burden of paying just compensation; and

**WHEREAS,** Robert and Nancy Corey request either \$500,000 as compensation for the reduction in value of their property, or waiver of all land use regulations that would restrict the division of land into lots containing less than five acres, which could have otherwise been allowed at the time the Corey family acquired an interest in the property in 1972; and

**WHEREAS,** the Board finds that under LC 2.760(3) the public interest would be better served by modifying, removing or not applying the challenged land division regulations of the RR5 zone to the subject property in the manner and for the reasons stated in the report and recommendation of the County Administrator incorporated here by this reference except as explicitly revised here to reflect Board deliberation and action to allow Robert and Nancy Corey to make application for development of the subject property in a manner similar to what they could have been able to do under the regulations in effect when the Corey family acquired an interest in the property; and

**WHEREAS,** this matter having been fully considered by the Lane County Board of Commissioners.

**NOW, THEREFORE IT IS HEREBY ORDERED** that the applicants Robert S. Corey and Nancy L. Corey made a valid claim under Ballot Measure 37 by describing the use being sought, identifying the county land use regulations prohibiting that use, submitting evidence that those land use regulations have the effect of reducing the value of the property, showing evidence that Robert S. Corey acquired an interest in the property before the restrictive county land use regulations were enacted or enforced and the Board hereby elects not to pay just compensation but in lieu of payment, the request Robert S. and Nancy L. Corey shall be granted and the restrictive provisions of LC 16.290 that limit the division of land in the RR5 (Rural Residential) Zone shall not apply to Robert S. and Nancy L. Corey, so they can make application for approval to develop the property located at 37264 Camp Creek Road, Springfield, and more specifically described in the records of the Lane County Assessor as map 17-02-26, tax lot 300, consisting of approximately 5 acres in Lane County, Oregon, in a manner consistent with the land use regulations in effect when they acquired an interest in the property; on July 26, 1972 for Robert S. Corey and on June 10, 1992 for Nancy Corey.

**IT IS HEREBY FURTHER ORDERED** that Robert S. Corey still needs to make application and receive approval of any division of the property or placement of a dwelling under the other land use regulations applicable to dividing the property or placing a dwelling that were not specifically identified or established by him as restricting the division of the property or placement of a dwelling, and it would be premature to not apply those regulations given the available evidence. To the extent necessary to effectuate the Board action to not apply the dwelling or division restrictions of the applicable zone described above, the claimant shall submit appropriate applications for review and approval of a new dwelling to show the specific development proposals and in the event additional county land use regulations result in a restriction of those uses that have the effect of reducing the fair market value of the property, the County Administrator shall have the authority to determine those restrictive county land use regulations that will not apply to that development proposal to preclude entitlement to just compensation under Measure 37, and return to the Board for action, if necessary. All other Lane Code land use and development regulations shall remain applicable to the subject property until such time as they are shown to be restrictive and that those restrictions reduce the fair market value of the subject property.

**IT IS HEREBY FURTHER ORDERED** that this action making certain Lane Code provisions inapplicable to use of the property by Robert S. and Nancy L. Corey does not constitute a waiver or modification of state land use regulations and does not authorize immediate division of the subject property or immediate construction of a dwelling. The requirements of state law may contain specific standards regulating development of the subject property and the applicants should contact the Department of Administrative Services (DAS - State Services Division, Risk Management - Measure 37 Unit, 1225 Ferry Street SE, U160, Salem, OR 97301-4292; Telephone: (503) 373-7475; website address: <http://www.oregon.gov/DAS/Risk/M37.shtml> ) and have the State of Oregon evaluate a Measure 37 claim and provide evidence of final state action before seeking county land use approval.

**IT IS HEREBY FURTHER ORDERED** that the other county land use regulations and rules that still apply to the property require that land use, sanitation and building permits be approved by Lane County before any development can proceed. Notice of this decision shall be recorded in the county deed records. This order shall be effective and in effect as described in LC 2.770 and Ballot Measure 37 to the extent permitted by law. This order does not resolve several questions about the effect and application of Measure 37, including the question of whether the right of applicant to divide or build dwellings can be transferred to another owner. If the ruling of the Marion County Circuit Court in *MacPherson v. Dept. of Administrative Services*, (Marion County Circ. Ct. Case No. 00C15769, October 14, 2005) or any other court decision involving Ballot Measure 37 becomes final and that decision or any subsequent court decision has application to Lane County in a manner that affects the authority of this Board to grant relief under Ballot Measure 37 and LC 2.700 through 2.770 then the validity and effectiveness of this Order shall be governed by LC 2.770 and the ruling of the court.
