

Lane County Winter Weather Response

Winter is around the corner. For many residents of Lane County, this is a particularly precarious time as severe weather and unstable housing present unique challenges for vulnerable community members.

Dusk to Dawn

A program operated by St. Vincent de Paul that provides a low-barrier, safe, overnight warming site along with sanitation facilities from November 1, 2017 to March 31, 2018.

For Families

A shuttle will be provided from First Place Family Center to Dusk to Dawn for families.

For Adults

Dusk to Dawn will provide

A safe, warm place to sleep

Two meals:
breakfast and
dinner

Safe Parking

Lane County Behavioral Health has allotted 10 parking spots for people experiencing homelessness, giving them a safe place to park their vehicles overnight.

Egan Warming Center

The Egan Warming Center is activated when temperatures drop to 30 degrees and below between November 15 and March 31.

Last year Egan served

1,616

guests

25,866

meals and
snacks

on
25
nights
