Re: CoC Notification of Rejected or Reduced Applicants

This is to notify all interested parties that Lane County intends to reduce the following projects in the FY23 HUD CoC Competition process:

Applicant	Project	Amount Reduced	Reason
Lane County	McKenzie Rapid Re-Housing Project	\$80,000	Unspent funds returned to HUD in previous grant period(s).
Lane County	Sahalie Permanent Housing Project	\$15,000	
Lane County	Camas Permanent Housing Project	\$5,000	

*Note: These reductions will take effect in the HUD FY23 grant period (beginning 2024).*

The CoC is required to notify all project applicants no later than 15 days before the application deadline regarding whether project applications will be submitted and ranked within the Priority Listing submitted as part of the CoC Consolidated Application. Any project applicants rejected or reduced by the CoC must be notified in writing outside of e-snaps, with an explanation for the decision. All applicants and subrecipients will be notified of the final ranking on September 8, 2023.
