2.1 The parties agree that the following terms and conditions shall apply to Contractor's performance of obligations under the Service Contract.

Except as otherwise expressly permitted and as limited in this Agreement/Amendment or as Required by Law, Contractor may use or disclose PHI to perform the functions, activities or services for, or on behalf of, the County, set forth in the Services Contract and provided that such use or disclosure would not violate the Privacy or Security Rules or any more stringent state law provisions if performed by County. Further use or disclosure other than as permitted or required by this Agreement/Amendment or as Required by Law is prohibited.

ARTICLE 3. Obligations and Activities of Contractor

3.1 Contractor shall not create, receive, use or disclose PHI other than as permitted or required by this Agreement or as provided by law. Contractor further agrees to use or disclose PHI only on behalf of, or to provide services to, the County in fulfilling Contractor’s obligations under the Service Contract and to not make uses or disclosures that would violate the Privacy Rule or violate the minimum necessary standard of the Privacy Rule. Unless otherwise imposed by law, Contractor will limit its uses and disclosures of, and requests for, PHI (a) when practical, to the information making up a limited data set; and (b) to the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request.

3.2 Contractor is directly responsible for full compliance with the relevant requirements of the Privacy Rule to the same extent as the County. This includes, but is not limited to additional security and Privacy Rule requirements in HITECH made applicable to covered entities, and those are incorporated into this Agreement as Contractor’s obligations.

3.3 Contractor will safeguard all PHI according to the terms of this Agreement/Amendment and all HIPAA regulations. Contractor shall implement administrative, physical and, technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of PHI, including electronic PHI that it accesses, creates, receives, maintains or transmits on behalf of the County pursuant to Privacy and Security Rules, including 45 CFR Part 164, Subpart C. Contractor acknowledges its statutory duty to provide safeguards as if it were a covered entity in accordance with 45 CFR 164.308 (Administrative Safeguards); 45 CFR 164.310 (Physical Safeguards); 45 CFR 164.312 (Technical Safeguards) and agrees to follow any guidance which may be issued by the Secretary. Contractor agrees to use appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Agreement/Amendment.

3.4 Contractor agrees to comply with all applicable law and regulations regarding misuse, improper disclosure, and security incidents or breaches, including but not limited to HIPAA, Health Information Technology for Economic and Clinical Health (HITECH) Act, any implementing regulations or more stringent state law. Contractor agrees to report to the County any use or disclosure of PHI or other data not provided for by this Agreement/Amendment and any material attempted or successful unauthorized access, use, disclosure, modification, or destruction of information, interference with system operations in an information system or security incident or breach of which it becomes aware, as soon as possible.

3.4.1 Contractor will notify County of a Breach of unsecured PHI following the first day on which Contractor (or its employee, officer or agent) knows or should have known of such Breach.
3.4.2 Contractor shall provide County with the identity of each Individual whose PHI has been, or is reasonably believed to have been accessed, acquired or disclosed during such Breach and all other information set forth in 45 CFR 164.404(c) or required by law or other regulation or as may be required by County for County to meet its notification obligations. This information shall be provided at the time of providing County with notice of Breach or promptly thereafter as it becomes available;

3.4.3 Contractor shall confer with County as to the preparation and issuance of appropriate notice(s). Time is of the essence in this obligation to confer with County.

3.4.4 Notifications required by this section are required to be made without unreasonable delay and in no case later than 60 calendar days after the Discovery of a Breach (except where a law enforcement official determines a delay due to criminal investigation or national security is warranted). Accordingly, the notification of a Breach to the County shall be made as soon as possible, and every effort made to provide required information no later than 30 days after Discovery of a Breach. Contractor shall confer with County as soon as practicable.

3.5 Contractor agrees to mitigate, to the extent practicable, any harmful effect that is known to Contractor of a use or disclosure of PHI or breach of unsecured PHI by Contractor that violates the requirements of this Agreement/Amendment. Contractor agrees to report to the County, the remedial action taken or proposed to be taken with respect to such use or disclosure. In the event Contractor fails to mitigate in accordance with this provision, Contractor shall cooperate with and conduct any mitigation efforts requested by County.

3.6 Contractor agrees to ensure that any agent, including any subcontractor to whom it provides PHI or makes PHI available, executes an agreement with the same terms, conditions, and restrictions that apply through this Agreement/Amendment to Contractor with respect to such information. This includes ensuring that any agent, including subcontractor, agrees to implement reasonable and appropriate safeguards to protect electronic PHI.

3.7 The parties do not anticipate that, at any point in time, the County will be unable to access and control PHI that it uses, discloses or creates or that any change to PHI required below would affect Contractor's performance under the Service Contract. However, in the event Contractor does have access and control of PHI in a Designated Record Set of the County:
   a. At the request of the County and within five business days, and unless directed otherwise, Contractor shall provide access of their PHI to an Individual to meet the requirements under 45 CFR § 164.524.
   b. Contractor shall make any amendment(s) or add a statement of disagreement from the Individual, to PHI that the County directs or agrees to pursuant to 45 CFR § 164.526 at the request of the County or an Individual with 10 working days of the request.
c. Contractor shall document such disclosures of PHI and information related to such disclosures as are required for the County to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528. On request of the County, Contractor shall provide the documentation made in accordance with this Agreement to permit County to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR §164.528 within 10 working days.

   d. As to Contractor's obligations in 3.7. a., b., and c. above, Contractor shall document and retain for six years from the date of creation or date last in effect, whichever is later:
      i. The titles of the person or offices responsible for receiving and processing requests for access, for amendments, and for accounting of disclosures; and
      ii. The PHI that are subject to access by individuals under 45 CFR 164.524, subject to the County's direction otherwise;
      iii. The written accounting that is provided to the individual;
      iv. The information required to be included in the accounting in paragraph (c) above.

3.8 Contractor agrees to make internal practices, books, and records, including policies and procedures relating to the use and disclosure of PHI received from, or created or received by, or made available or accessed by Contractor on behalf of the County, available to the County or to the Secretary within five business days or within the time frame designated by the Secretary, for purposes of determining the County's compliance with the Privacy and Security Rules, or for audit purposes.

3.9 Contractor is solely responsible for determining its obligation to use and the provisions of any Notice of Privacy Rights consistent with the HIPAA Privacy Rule and its services to the extent that they may affect Contractor's creation, receipt, use or disclosure of PHI. Contractor shall rely on its own judgment, and County's Notice of Privacy Rights has been made available as an example only.

ARTICLE 4. Obligations of County’s Covered Component

4.1 The County shall notify Contractor of any restrictions, limitations, changes in, or revocation of, permission by Individual to access, receive, use or disclose PHI, to the extent that Contractor’s access, receipt, use or disclosure of PHI may be affected.

4.2 The County shall not request Contractor to use or disclose PHI in any manner that would not be permissible under the Privacy or Security Rules if done by the County, unless the Contractor will use or disclose PHI for data aggregation for County or management and administrative activities of Contractor.
ARTICLE 5. Term and Termination

5.1 The term of this Agreement/Amendment shall begin the date the last party signs this Agreement/Amendment, and shall terminate when all of the PHI provided by the County to Contractor, or created or received by Contractor on behalf of the County, is destroyed or returned to the County, and all ability to access such information is terminated, or if it is infeasible to return or destroy PHI, protections are extended to the information in accordance with the termination provisions in this Agreement/Amendment.

5.2 Termination for Cause. In addition to any other rights or remedies provided in this Agreement, upon either the County’s or Contractor’s knowledge of a material breach by the other party of that party’s obligations under this Agreement, the non-breaching party shall:

a. Notify the other party of the breach and provide a reasonable opportunity in a notice of breach to cure the breach or end the violation and terminate this Agreement and the Services Agreement(s) if Contractor does not cure the breach or end the violation within the time specified. Contractor shall notify County in writing of the actions taken to cure the breach or end the violation; or

b. Immediately terminate this Agreement/Amendment and the Services Agreement(s) if there has been a breach of a material term of this Agreement/Amendment and cure is not possible in the reasonable judgment of the non-breaching party; or

c. If neither termination nor cure is feasible, the non-breaching party shall report the violation to the Secretary;

d. The County’s remedies under this Agreement/Amendment are cumulative and the exercise of any one remedy shall not preclude the exercise of any other.

5.3 This Agreement/Amendment terminates when the Service Contract terminates.

5.4 Except as provided in subsection 5.5 or 5.6, upon termination of this Agreement/Amendment, for any reason, Contractor shall, at the County’s option, return or destroy all PHI belonging to the County, or created or received by Contractor on behalf of the County if in Contractor’s possession. This provision shall apply to PHI that is in the possession of subcontractors or agents of Contractor. Contractor and subcontractors or agents shall not retain any copies of the PHI.

5.5 In the event that Contractor determines that returning or destroying PHI is infeasible, Contractor shall provide to County notification of the conditions that make return or destruction infeasible. Upon written agreement by the County that return or destruction of PHI is infeasible, Contractor shall extend the protections of this Agreement/Amendment to such PHI and limit further uses and disclosures of PHI to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such PHI.
5.6 If it is infeasible for the Contractor to obtain any PHI in the possession of a subcontractor or agent, the Contractor shall provide the notification in 5.5 above within five business days upon learning of the infeasibility. The Contractor shall require the subcontractor or agent to agree to extend the protections as in 5.5 above.

ARTICLE 6. Miscellaneous

6.1 Amendment; waiver.
   a. The parties agree to take such action as is necessary to amend this Agreement/Amendment from time to time in order for the County to comply with the requirements of the HIPAA Privacy and Security Rules and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191. In the event of a conflict between the terms of this Agreement/Amendment and the terms of the Service Contract, the terms of this Agreement/Amendment shall control, provided that this Agreement/Amendment shall not supersede any other federal or state law or regulation governing the legal relationship of the parties, or the confidentiality of records or information, except to the extent that HIPAA preempts those laws or regulations. In the event of any conflict between the provisions of the Service Contract as amended by this Agreement/Amendment and the Privacy or Security Rules, the Privacy and Security Rules shall control.

In addition to any other indemnification obligations of Contractor in the Services Contract(s), Contractor shall save, hold harmless, and indemnify the County and its Commissioners, officers, employees, and agents from and against all claims, suits, actions, losses, damages, liabilities, monetary penalties imposed, costs, and expenses of any nature whatsoever resulting from or arising out of Contractor’s, or its agent’s or subcontractor’s performance or failure to perform under this Business Associate Agreement/Amendment, including but not limited to, unauthorized use or disclosure of PHI, or breach of security, privacy or integrity of PHI.
