NOTICE: Oregon law (ORS 105.682, et seq.) provides the owner of land is not liable in contract or tort for injury, death, or property damage that arises out of use of the land for recreational purposes (known as "recreational use immunity"). That immunity from liability does not apply if the owner makes a charge for permission to use the land. This fee is only for the use of the park for metal detecting activities. Other uses of this park, or any use of the property outside of designated metal detecting areas are not subject to a charge and, therefore, Lane County and the U.S. Government is not liable for injuries, death, or property damage arising out of such uses of the property for which no specific charge has been made.
